Parent/Guardian Agreement

I understand the school provides my child with access to the school's network which includes the internet. I understand that this will give my child access to information and that a small part of that information could be illegal, dangerous or offensive.

I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students/my child. Additionally, I will ensure that my child understands and adheres to the school's appropriate behaviour requirements and will not engage in inappropriate use of the school's network.

I believe _____ (name of student) understands this responsibility and I hereby give permission for him/her to access and use the school's network (including the internet) under the school's rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of access and usage of the school's network.
